

February 2018

On **1st March 2018**, we are due to launch the “Schoolgateway” App as part of our commitment to improving communication links between parents and school. This free App will enable us to communicate with parents on a whole range of issues including :

- Rewards & Achievements
- Attendance
- Student Reports
- Letters from the Principal
- Information regarding School trips and events
- Exam timetables and revision sessions
- After school clubs
- Parents evenings

The app will enable you to contact school free of charge to notify us of your child’s attendance, and enable you to have instant access to your child’s school report and letters sent home. In order to access the App, we need to ensure that we have your up to date mobile number and email address.

To celebrate the launch of this fantastic service, we will be conducting **a prize draw** for every parent that **registers in the month of March**. All registered parents will have the opportunity to **win a SMART TV**.

If you have a smartphone, please download School Gateway from your app store (Android and iPhone). The app shows the same information as the website PLUS you can send app messages to the school for **FREE** . Alternatively, visit the website: www.schoolgateway.com and click on ‘New User’.

You’ll receive a text message with a PIN number. Use this PIN to login to School Gateway. Can’t activate your account? If you’re having trouble activating your School Gateway account, it may be because school doesn’t have your current email and mobile phone number on record. Please contact school to update this information. We hope that you will find School Gateway a valuable way to keep up to date.
