September 2019

Dear Parent/Carer,

Last year's Y11 results shows pupils making some of the **best** progress we have ever achieved at De Lacy Academy and we predict that this year's results will be just as good. To ensure that results continue to improve when your child sits his/her exams, we are constantly looking at ways to improve their education.

One way to do this is to meet with you and your child to discuss Y11 and what it involves and what we offer. There will be several changes around your child's education. These include:

- Increased expectations/acting as role models for younger pupils
- Class/timetable changes
- 121 intervention
- Career pathway guidance
- Mentoring
- Weekly monitoring of progress by senior leaders

To fully understand these changes and to help your child achieve his/her full potential, we request that you join us for a short information evening on Thursday 12th September to meet the leadership team and ask any questions you may have.

Information will be presented in the main hall. This event will start at **5:00pm** and will last no more than an hour. Looking forwards to meeting you on the 12th.

Yours faithfully,

Mr C McCall
Principal
