**Prochaine Étape...
Family life!**

Why am I learning this?

I am learning this so that I can communicate with another French speaking person because there are over 300 million French speakers in the whole world! I will be able to talk about the weather and tell them what I wear and do in different weathers. I will also be able to tell them about sports I play and do and say what I like and dislike doing. I will be able to discuss sports in different francophone countries.
