

January 2022

The following is a personal invitation to Year 11 parents to attend a meeting with the Senior Leadership Team and Faculty leaders at De Lacy Academy on Monday January 17th.

Dear Parent/Carer,

De Lacy Academy is investing hours of time and a significant amount of money to ensure that your child/our students attain the best possible grades they can get this summer. We are currently holding extra lessons for Period 6 Enrichment after school, we have Saturday morning maths sessions and will probably have holiday revision classes as we approach the exam season in May.

We'd like to tell you about our lessons, intervention classes, revision sessions and support, as well as answer any questions or concerns you may have about the upcoming exams. I'm sure I do not need to emphasise the importance of all students passing maths and English at grade 5 or above. This will inevitably be more difficult than in previous years due to the Covid pandemic and past exams being cancelled. With that in mind, **there will be an opportunity to acquire some FREE revision guides as well as all the resources we feel your child needs to be able to revise effectively at home.**

We look forward to meeting you at **5:30pm on Monday, January 17th** in the school's Main Hall. There will be a pie and peas supper for you and your child after the presentation and handing out of resources. We look forward to being able to share a meal with you and hope you can attend this important evening.

If you are unable to attend, or have any questions before hand, please let school reception know through the contact details above.

Thank you.

Yours faithfully,

C Pritchard

Mr C Pritchard
Vice Principal
