

AN EMPOWERING CURRICULUM

THE POWER OF PLEASURE

Finding the joy in academia

THE POWER OF TRANSFORMATION

The capacity to develop empathy and understanding through wide exposure to different time periods, geographical locations, cultures, religions and experiences that diverge from your own

THE POWER OF INCLUSION

Achieving equality of access to the practices, pursuits, debates and discussions of the educated

THE POWER TO APPLY LOGIC

The knowledge and confidence to investigate, interrogate, seek patterns and solve problems

THE POWER TO MAKE A DIFFERENCE

The capacity to understand local, national and global issues and to influence these wider discussions through the channels open to the empowered

THE POWER OF SELF DETERMINATION

The knowledge and confidence to make decisions that impact your own direction and navigate a chosen path with confidence

Enabling all students, regardless of who they are or where they are from to clamber into the practices and discourse of the educated, and share the power of the powerful.
