

March 2022

Dear Parent/Carer,

I would like to invite you to attend De Lacy Academy's Options Evening on **Monday 4th April**. This will be a face to face meeting in the Main Hall where you can come in and meet the teachers that will be offering different subject choices for your child from September.

All students have to study the Core and foundation subjects, but the evening will give you an opportunity to find out about the other courses we would like to offer and the types of qualifications available.

There will be a brief presentation in the hall at **4 p.m.** followed by a marketplace style event, where you can visit the table/stall of the subjects you are interested in and find out more about that option choice. A booklet of all subjects available will be provided on the evening. Once you have seen the teachers/subjects you are interested in, then you are free to leave. We will aim to finish by around 6 p.m.

EPC lessons will look at the options process week beginning 4th April to help support your child in school. Mrs Allington and I will also be available to answer any questions. We ask that you spend time over the Easter break making your choices, then return your completed forms to us no later than **Wednesday 27th April**.

Please let us know if you are unable to attend by calling Reception on the number above or send us an email to info@delacyacademy.org.uk and we will make sure your child is given a copy of the booklet to bring home so you can read about the courses we are offering.

Looking forward to seeing you,

C Pritchard
