March 2022

Dear Parent/Guardian,

As you are aware, your son/daughter will undertake their final set of mock examinations starting next week.

These mock examinations are incredibly important for a number of reasons. They will be used by colleges, they will determine set changes for the final few weeks of school, they will tell the teaching staff what your son or daughter needs to learn next and they will impact on self-confidence.

I have explained in assembly to all students how important it is that they arrive at 8.25 each day, that they eat breakfast and that they use all of the time available to them in the exam.

I would also recommend that they draw up a revision timetable and stick to it, using their books, notes, Hegarty Maths and GCSE pod to make notes.

Should you have any questions or concerns about these exams, please don't hesitate to contact Mrs Wilcox, Year 11 learning manager or Mr Pritchard, Vice Principal who is responsible for exams.

Yours faithfully

A handwritten signature in blue ink, appearing to read 'C. McCall'.

Mr C McCall
Principal
