

July 2022

Dear Student,

It was excellent seeing you all at King's Croft last week for your Y11 prom. You all looked so mature and grown up – clearly ready for the next stage of your journey now that you have left De Lacy. One last thing remains and that is to collect your results.

Results Day is Thursday 25th August.

Please come into school through the small gate next to the main hall. You will meet outside the hall as you used to for assembly. Doors will open at 10:00am. We will be there until 12:00pm.

- You will need to come in and sign for your results. These are official documents; we will not hand them over to a friend.
- The exams officer will be available should you have any queries with your results.
- Careers advice will be available via phone should you need it.
- If you are unable to collect your results you can request by email (must have your name on it so we know it's you) or in writing that they be posted to you or they can be collected in person from reception from Tuesday 6th September.
- If you wish your results to be posted, or have any other queries regarding your results please email the exams officer on brittaink@delacyacademy.org.uk.

Looking forward to seeing you in August – have a wonderful and safe holiday.

Mr. C McCall

Principal
