Aspire

To have completed one of more digital literacy badges in iDEA.

Challenge

To have completed one of more digital literacy badges in iDEA.

idea.org.uk

During today's lesson, you are to **log into iDEA and complete one or more** digital literacy badges. Your log in ID will be your regular school email address and password.

If you cannot remember your password then you can do a password reset. You should already know how to do this...
